

Security Training for the Oil and Gas Industry

Kingswell International is one of the UK's leading providers of Security Training specifically designed for the Oil and Gas Industry.

Welcome to Kingswell International Security Training Programme.

Ian Pidgen. *Director*

- It gives me great pleasure to welcome you to our 2011 Security Training Programme which we have especially designed for The Oil and Gas Industry. Our training programme allows delegates to benefit from the expertise and knowledge of some of the industry's leading experts.
- Our trainers are recruited for their proven track record and exceptional ability. They come from the world of law enforcement and commerce. Each of them bring a wealth of security management experience.
- We provide a truly international perspective to our training and highlight 'Best Practice' throughout the world of the Oil and Gas Industry.
- We offer recognition through certification from the Institution of Occupational Safety and Health (IOSH) with the 'Working Safely' qualification built into the syllabus of our course.
- The course venue is the Novotel Conference Centre in Greenwich London. The centre has state-of-the-art conference facilities. Lunch is provided at the centres highly rated restaurant and refreshments are available throughout the day. The venue has excellent transport links into Central London.
- The course time table is tailored to suit the client and run on a five day week running from Sunday to Thursday.

Field Trips

- 3 field trips throughout the course
- Access to high value security venues including The Metropolitan Police Headquarters at New Scotland Yard and The Houses of Parliament.
- Network with other security professionals,

- Experience some of the cultural highlights of the UK's capital
